

ACTIVATE YOUR KOLBE™ ADVANTAGE

Reveal Natural Talents | Simplify Business Development
| Build Team Confidence | Reduce Stress | Hire Smart

My Kolbe A™ Index revealed my natural talents, transformed my business and relationships and gave me the confidence to operate in my natural style. I want to help business owners and leaders reduce stress, simplify business development and confidently engage their team and clients. It starts with understanding your Kolbe™. ~ Laural Carr, Kolbe™ Certified Consultant, Founder of Impagination Inc.

Kolbe A™ Index measures a person's instinctive method of problem solving. The resulting Index describes an individual's natural strengths and how to leverage these talents to achieve greater personal and professional success.

Kolbe™ Certified Consultant Laural Carr offers pro-tips on how to unlock Kolbe™ for your specific situation. Teams benefit from a group consultation with recommendations customized for the team's goals.

"In a world of cookie-cutter solutions, using Kolbe™ Laural truly understood our team and our business, showing us how our MO is truly our UVP."
**John Sanchez,
Richardson Wealth**

"I trust Laural's Kolbe interpretations to help zero-in on a unique value proposition plus build alignment and efficiencies for any team."
Derryn Shrosbree, 33 Seven
